COOPERATIVE, INC. STRANDED)
COST AND WAIVER FILINGS.) NUMBER 73440

On June 22, 1998, in Decision No. 60977, affected utilities were ordered to file an implementation plan including the estimated stranded costs. In compliance with the decision, on August 1998 Duncan Valley Electric Cooperative, Inc. filed an application in Docket No. E-01703A-98-0469. The last filing in the docket was on July 2, 2004. As a result, any data regarding stranded costs for this company is stale and there is no longer a reason for the above-listed docket to remain open.

Per the memorandum dated May 8, 2012 by Steven M. Olea, Director of the Utilities Division, as a housekeeping measure staff requests that the docket be administratively closed. Therefore, this docket is administratively closed.

An Administrative Closure Number has been assigned to this matter which officially closes the docket. **This is not a signed order of the Commission and is for record keeping purposes only.**
